Extended - Call for Abstracts

The above mentioned institutions invite researchers from around the world to submit abstracts for presentation at our 2018

This year's Interdisciplinary International Vanguard Science Congress, organized by the Center for Transition Sciences (CTS), the World Advanced Research Project (WARP), Chelyabinsk State University (CSU), the Vietnam Academy of Social Sciences, the Universidad Autónoma Chapingo and Allameh Tabataba'i University, will be hosted at the CSU facilities in Chelyabinsk.

Information about all previous Congresses and materials relevant to the subjects of this Congress can be found at cts-global.org. Previous Congresses were hosted by China, Vietnam, Mexico, Germany and Russia. The speakers are leading scholars and public officials from many parts of the world. The Congress topics are highly relevant to the current state of affairs of the global system and possible solutions to pressing problems are being conceptualized in the light of current revolutionary technological change. We have already received **88 applications** from participants from **12 countries**, including Russia, Mexico, Vietnam, China, Japan, Germany, Norway, Austria, Italy, Kazakhstan, Ukraine, Poland, and their number is constantly growing. Main aggregate topics of the upcoming Congress are presented below:

- 1. Disharmony, Unsustainability, Disbalances, Contradictions in Modern World**
- 2. 21th Century Socialism as Real Alternative for Capitalism and Market Economy for All World**
- 3. 4th Technological Revolution and its Impact on Modern Society**
- 4. *Any other problem relevant to the conference***

*For detailed thematic information please look up the Congress poster
at cts-global.org*

The Congress' agenda includes keynote speeches of: **Dr. Konstantin Sivkov, Vice President of the Russian Academy of Rocket and Artillery Sciences**, on “BRICS, SCO and the military balance of power in the world system”; **Dr. Mandana Tishehyar, Allameh Tabataba’I University**, The 4th Technological Revolution and its Impact on the Eurasian Region; **Dr. Paul Cockshott**, “21st Century cyber communist Economics” and **Prof. Heinz Dieterich** about the “American, Russian and Chinese Dreams. Vectors of 21st Century Civilization Development”.

The schedule of the Congress will include plenary sessions, panel discussions, breakout sessions, poster presentations, seminars and round tables. Leading specialists, both theorists and practitioners, are invited to participate. So are students and concerned citizens. Working languages are **Russian and English**. It is planned to publish the Proceedings of the Congress in a book format with due indexation at the Web of Science and Scopus.

If you wish to participate, **send your application and paper abstract (250-600 words) to the e-mail account:**

ieo-konf@csu.ru **before 31 August 2018**. Your application file must begin with the word “APPLICATION_”, then the family name(s) of the author(s) with the first letter capitalized. Your abstract file must begin with the word “ABSTRACT_”, then the family name(s) of the author(s). E-mail topic must begin with the word “IVSC-2018” and the family name(s) of the authors. Application and abstract samples are attached.

¡Participation in the Congress is free of charge!

Please feel free to address the conference steering committee with any relevant questions on ieo-konf@csu.ru, or call +7 (351) 799-71-46; contact persons are Antonio Campa (English), Daria Bents (Russian).
